GENERAL MEMBERSHIP MEETING

Wednesday 9 September 1992
Paramount Lounge, Schenectady

The meeting was called to order by President Lucarelli at 8:30 PM.

The previous General Meeting was a joint meeting with the Engineers Society, whose program was about the history of the Gurley Company. There was no business meeting, so no minutes had been mailed.

The Treasurer's report was mailed out with this meeting's notice. The President directed anyone who had any questions to see the Treasurer.

The President's report is as follows:

The President will try to keep the general business meetings more brief. The Treasurer's report is mailed to everyone, so it will not be read at the meeting. The business meetings will be started earlier.

The Historical Video produced by the Delaware-Hudson chapter is available and may be borrowed from Bill Lucarelli at Clough, Harbour.

A letter was received from Robert MacFarlane concerning a Town of Clifton Park directive requiring a NYS Licensed Engineer sign and stamp septic system designs prior to the issuance of a Building Permit. After contacting the Town, the directive was amended so that a NYS Licensed Land Surveyor with an "n" Exemption may also sign and stamp such plans, together with a revised note and form.

A memo from the Town of Queensbury which was sent to building contractors working in the Town was forwarded by Leon Steves. The memo requires that builders provide plot plans certified by the builder, as to the proposed house location through to the actual "as built" location with respect to the setback dimensions from the property lines. A survey is not being required. Since this appears to be a violation of the Education Law, a copy will be forwarded to NYSAPLS Counsel for an opinion and possible legal action.

The next NYSAPLS B.O.D. meeting is to be at the Ramada Renaissance in Saratoga Springs 18-19 September.

Genesee Valley Land Surveyors Association will be hosting the 34th Annual NYSAPLS Conference 20-23 January
